

OCTOBER 2022

MESSAGE FROM THE STAFF

Wow, what an amazing past month with 4 cities, hosting a Dragonslayer walk! Thank you to everyone who sponsored, volunteered, spoke, attended, fundraised, and donated to any of the 4 Dragonslayer Walks this year. We say that's a wrap but really Slayers you can fundraise until the end of the year. We have not met our walk fundraising goals yet for the year and you can help us reach those goals.

Our work here is still not complete for 2022 and we are peering into 2023. At the close of this year, we anticipate providing approximately \$100,000 in Help\$ grant support to patients in the PNW. We cannot do this without YOU. Please help us continue our support of Sarcoma patients in the Pacific Northwest.

During the walks, we mentioned one of our programs. If you are not familiar, please consider checking out our Casual Chats. We host monthly peer-led groups for patients & survivors, caregivers, and for those who have lost someone to Sarcoma. These meet-ups are virtual, so anyone from anywhere can join us. Each meeting has its own direction, we attempt to create an organic discussion, taking it where it leads. We do not discuss treatment specifics or medication specifics. It's a casual chat. You can register for any one of these groups via the links below in the upcoming programs & events section.
