June 2022

June is National Cancer Survivor Month! Celebrating survivors and NED - no evidence of disease. There are challenges that come with being a survivor but no matter what, YOU are a dragonslayer. We encourage survivors to join our Casual Chat group on the second Wednesday of each month. You are the next generation to help provide support and understanding to those still battling the dragon. Consider joining us, and be an inspiration; this group is still searching for a volunteer lead - maybe it's YOU?!

We are gearing up this month for our Knight Life Gala. Excited to be hosting in-person this spectacular event. This year, we changed it up and are taking a 3-hour cruise, (yes, I sing that also each time) on Lake Union. We hope that if you are planning on attending you get your tickets soon, the deadline is June 21st or if tickets sell out before. We have 3 fun live auction items - a weekend stay in a renovated 1905 railway caboose for 2, a weekend stay for up to 12 people on Hood Canal, and a multiple date night experience package. We hope to see you there, ticket purchase information is below. Limited seating, come join us!

Thank you for YOUR support!
