April 2022

Thank you volunteers for making our events and programs run so smoothly! As we launch into Volunteer Appreciation month everyone here says thank you! We have realized that just last month was 6 months until the Dragonslayer Walks, where we ask so much of many of you. So again, thanks!

We are coming up on our Swing for Sarcoma events in May. If you are a golfer, come join in the fun. We even attempted to make it fun for your friends by having them wager on how good you are at closest to the pin. You can learn more from the registration links below.
Earlier this year the board and staff worked diligently to establish and define committees to support the work of the organization. We are searching for volunteers who want to participate in the next part of the future of the NW Sarcoma Foundation. We decided on four committees, and we are looking for some great people to get involved. These committees currently will meet every other month on the third Sunday (subject to change with holidays and as the committees better decide what works best for them). Our first meeting is Sunday, April 24th at 5 p.m. We invite you to join us by reaching out to me at info@nwsarcoma.org. To learn more about each committee and commitment, please see links below.

- Development Committee
- Events Committee
- Mar-Comm Committee
- Programs Committee

So many things are moving this organization forward. Please see our website for up-to-date information, resources, and more. We cannot do this work without all of YOU! Thanks again.
