Nov. 2022
Thank you! Thank you! Thank you! It is the time of year when we really begin to say thanks. We have been saying this all year long! YOU have made so much possible this year and we are hoping as we begin to see the holiday lights which indicate the end of this year, we will ask for YOU to help us do much much more.
This year marks some great achievements for us all due to YOU. Our care package program helps serve hundreds of patients and families in the Pac. NW. Our casual chat groups continue to be a success and grow These groups bring together the Sarcoma community, furthering the connection that we shout: No One Should Face Sarcoma Alone! YOU have made all of these programs possible.
Thank you for all you do to support the Sarcoma patients, survivors, caregivers, survivors of Sarcoma angels, and all of their family members in the PNW and abroad.

WE HAVE WALKED THIS DEEP, DARK PATH FILLED WITH THORNS AND PITFALLS. YET... WE ARE HAUNTED BY AN EVEN DARKER TRUTH: THAT THERE IS STILL ONE THING WORSE THAN LIVING WITH THE FEAR OF LOSING HER. WE ARE MOTIVATED BY THE SICKENING IDEA OF A WORLD WITHOUT HER.

NOVEMBER IS NATIONAL FAMILY CAREGIVER MONTH!

THANK YOU CAREGIVERS!!
ANITA NELSON, A SARCOMA CAREGIVER FOUND A WAY TO SHARE HER KNOWLEDGE THROUGH LEADING OUR CASUAL CHAT CAREGIVERS GROUP, WHILE PARTICIPATING AS A MEMBER OF THE CASUAL CHAT Bereavement GROUP. SHE HAS ADVOCATED FOR AND EVEN TESTIFIED BEFORE THE FDA WITH REGARDS TO SARCOMA CLINICAL TRIALS. YOU CAN SEE ANITA AT ALL OF OUR DRAGONSLAYER WALKS AND READ HER AND JEFF'S STORY ON OUR WEBSITE UNDER 'PERSONAL STORY'.

NO ONE FIGHTS ALONE
To whom it may concern,

My family and I would like to thank you

for the sweet gift box and generous donation

you made. Battling Ewing's sarcoma is so very difficult. With your support, I was able

to take a leave to be with Ayden. Thank

you so much,

God Bless,

Aaron, Kim & Ayden

YOUR CARE PACKAGE DONATIONS REALLY MAKE A DIFFERENCE
Join us for our peer-to-peer groups, facilitated by volunteers who care. We attempt to create an organic discussion, taking it where it leads. We do not discuss treatment or medication specifics. It's a casual chat with those who understand and can relate to your experiences.

These groups are not intended as a mental health treatment and/or care. No mental health professional facilitates this peer-to-peer casual discussion.

Free event.
